Parent Organization

Cooperativa Korimi, LLC

Mission - to help parents develop leadership, so children achieve a quality education which gives them the opportunity to become healthy, successful adults. It is a cooperative supporting early childhood education and our values are based on family and community, promoting our culture and our roots.

Vision - through the education of parents, children's first teachers, they become the most important drivers of the well-being of families and advocate for the education of their children.
