Corrales Cultural Arts Council

Music in Corrales provides a diversity of high-quality performances in a venue with an intimate ambiance such as the Corrales Old Church at pricing that is appropriate to the quality of the performance, yet as affordable as possible for our community. Music in Schools connects young people with many kinds of music. In a vibrant, meaningful, and lasting way, students are engaged through concerts, master classes, interactions with performers, and hands-on experience with a wide variety of music, musicians and instruments. We also provide a music program for the disabled at the ARCA Greenhouses.
