Parent Organization

Creative Startups

Based in Santa Fe, Creative Startups is the only global accelerator for creative entrepreneurs. Our mission is to accelerate creative entrepreneurs, build the creative economy. We provide guidance and opportunity for

founders who are revolutionizing the creative tech and storytelling, health and wellness, and food/food tech sectors. We understand that the creative economy is a global economic wave. We are singular in our ability to identify creative founders driven to build a profitable company while also retaining an uncompromising commitment to their creative vision. We guide them from seed stage to market success.
