## **Parent Organization**

### **Critical Time Intervention/ Centro Sávila**

Centro Sávila's *NEW South Valley Critical Time Intervention (CTI)* program is working in collaboration with and based out of La Plazita Institute. Our goal is to improve our community through prevention intervention social care services. Our intensive culturally competent case management and therapeutic services are designed to connect adjudicated youth ages 12 to 17 and their families with culturally appropriate and quality community resources. Our aim is to help prevent further involvement with the juvenile justice system.
