Dar a Luz Birth and Health Center - Classes and Community Groups

Led by licensed mental health counselors, peer supporters, Dar a Luz moms, midwives and RN birth assistants, our groups grow and thrive organically.

Groups meet on a regular schedule so you can plan ahead. All are free and open to the community. No registration is required. All support groups take place at Dar a Luz Birth & Health Center, unless otherwise noted. See our website at www.daraluzbirthcenter.org for more details.
