Veterans Service Program

Our Veterans Service Program provides professional advocacy services to veterans and their families and assists in applying for federal benefits. Our accredited staff provides assistance from original claim preparation through the completion of the VA appeals process.

Veterans Service Officers provide professional advocacy to veterans seeking assistance in applying for benefits administered through the Department of Veterans Affairs. This program was necessitated as a result of confusion and uncertainty of benefits and entitlements earned by our nation's Veterans.

Details

Special Needs: Veterans

Services

Individual & Family Support Services Community Action/Social Advocacy Groups
