## VFW Service Officers

VFW Service Officers are trained experts, helping veterans develop their case with ease by reviewing and applying current law, pertinent legislation, regulations and medical histories. As skilled professionals, we assist in filing for disability compensation, rehabilitation and education programs, pension and death benefits, and employment and training programs. Furthermore, we won't hesitate to request hearings before the VA and the Board of Veterans Appeals to present oral arguments when needed. This is a service the VFW is proud to offer--free of charge--to anyone seeking assistance with the claims process.
