Early Literacy Strategy Group

ECAP Early Literacy Strategy Group is working to increase awareness of early literacy concepts among community members and parents of young children in Bernalillo County. They support high school teachers who are interested in incorporating early literacy-focused projects into their curriculum. They also engage directly with expectant parents and those caring for young children using an 'Early Literacy Roadshow' to demonstrate ways to promote early literacy using free and repurposed materials.

Details

Ages: Prenatal Infants and toddlers Children and Youth

Services

Educational Programs Schools (K-12)

Locations

*2340 Alamo Ave SE, 2nd floor
Albuquerque, NM 87106*

Parent Organization

Early Childhood Accountability Partnership (ECAP)

Bernalillo County Early Childhood Accountability Partnership (ECAP) is a place-based effort to improve outcomes for children and their families, from pregnancy to age eight.

We are an active collaboration of cross-sector partners, who have committed to work together to achieve a single measurable result: **All Bernalillo County children are ready for and succeed in school.**
