Wings of America – Leadership Academy & Summer Wellness Camps

Wings of America delivers culturally grounded wellness and leadership programming serving rural and Tribal communities. Funding typically supports Summer Running & Fitness Camps and the Leadership Academy, focusing on physical activity, mental wellbeing, youth mentorship, and workforce readiness. Many facilitators gain their first paid job experience through this program.

Parent Organization

Earth Circle Foundation, Inc. DBA Wings of America

Wings of America is a Native-led nonprofit organization dedicated to empowering Native youth and their families through running, wellness, and cultural connection. Inspired by the cultural, spiritual, and competitive legacy of Native runners, Wings promotes holistic wellbeing, positive youth development, and community strength across Tribal and rural communities.

Through Summer Running & Fitness Camps, leadership development programs, and national opportunities, Wings employs and trains Native young leaders to serve as mentors and role models for the next generation.

By centering Indigenous values, community relationships, and access to opportunity, Wings supports Native youth in building confidence, resilience, healthy habits, and a strong sense of identity.
