Eastside Herding and Small Dog Rescue

A foster program for dogs that are awaiting for their forever homes. A rehabilitation program where we provide healthcare and training for animals that would not be adopted out from other shelters. And on occasion a long term foster care program where dogs are kept in forever foster homes due to not being able to be adopted for health or behavior issues.

Parent Organization

Eastside Herding and Small Dog Rescue

Eastside Herding and Small Dog Rescue rehabilitates shelter animals, who are out of time. We foster dogs providing a loving Atmosphere, when they can become confident and healthy and ready for adoption. All animals must be spayed or neutered before adoption contracts can be signed.
