Bueno Para Todos Cooperative

Bueno Para Todos is a **project of the El Valle Women's Collaborative**. The work began 31/2 years ago with a small group of women who simply wanted to farm together and bring income to their families.

Bueno Para Todos' **goals** are as follows:

- retain cultural practices in agriculture that are deeply rooted in El Valle
 - raise awareness of water issues in New Mexico, especially pertaining to our community
 - inspire other farmers to use organic seeds and practices and
 - increase economic opportunities in El Valle while continuing to build a sense of community.
