Drug Awareness/ Youth Activities

Family day during Heritage Week in Las Vegas, NM. This program is part of the Elks National Drug Awareness program that strives to teach our children and parents about the dangers of illegal drug use and the prevention of abuse of legalized and prescription drugs. As the largest drug awareness program in the United States, the program relies on state, district and Lodge volunteers to promote a drug-free lifestyle. By taking pride in America's communities and youth, the program takes action against youth drug use through education and inspiration.
