

SHARE new mexico™

Home Visiting Program

This **FREE** program provides educational services, child development guidance and local community resource information to parents and caregivers with children under three years of age. Services are also available for expectant parents.

Program Mission: Home visitors partner with families to promote child development and confident parenting by supporting the relationship among the family, home visitor, and the community.

Program Vision: New Mexico families are supported to raise children who are resilient and loved for generations to come.

All of our services are family-driven and confidential. We also have friendly bilingual staff available to work with Spanish-speaking families.
