ADULT SERVICES & SUPPORTS

We at EnSueños Y Los Angelitos Development Center (ELADC) have a passion to assist individuals with developmental disabilities to live their lives as independent as possible, while becoming a part of their community and continually being the best that they can be.

We help to enhance their lives by providing services and supports which enable them to live, work, and participate in their communities.

We have six areas within this program: Living Supports - Family Living, Community Integrated Employment, Customized Community Support, Living Support - Supported Living, Respite Services, and Mi Via.
