Ethos Literacy

Ethos Literacy is a community-based Reading and Education Center that answers the need for improved adult literacy throughout Bernalillo County. We provide free tutoring, life skills mentoring and resource support to adults by trained volunteer tutors. By increasing the literacy levels of the most vulnerable in our community - the low literate or immigrant adult - we ensure that they are able to advance in their education, secure gainful employment and thereby give their children financial security and a greater chance for their own academic success.
