

Families FIRST

Families FIRST is a case management program of the New Mexico Department of Health, Public Health Division, that provides perinatal case management to Medicaid eligible pregnant women and children 0-3 years old. See website for information about this program. Clients receive the following services:

- A case intake to ascertain the client's eligibility and to gather information for the purposes of care coordination;
- Presumptive Eligibility and/or Medicaid On-Site Application Assistance;
- An assessment of the client's medical/psychosocial strengths and risk factors;
- A plan of care that links clients with resources that address the problems/needs identified;
- Standardized health education and literature related to pregnancy, birth, newborn care and child development;
- Referrals to appropriate community resources;
- Monitoring and follow-up with clients to ensure that they receives the recommended services;
- A reassessment to evaluate the status of problems identified, and to identify additional areas of concern or risk.
