Corporate Citizenship Programs (CCPs)

Filipodia Publishing is dedicated to promoting ethical publication and academic integrity in the sciences and medicine. Our corporate citizenship programs (CCPs) align with our mission of supporting our international colleagues (through our social outsourcing for editing CCP) and our professional peer network (through our mentoring in alternative careers in science & medicine CCP).

Filipodia Publishing

Filipodia specializes in discovering dynamic interfaces across fields and disciplines and establishing innovative and productive interactions among researchers across fields and across international boundaries. We accomplish our mission of cross-field outreach and collaboration through select hiring of PhD and MD level practicing professionals with extensive experience in science and medicine communication. Most importantly, we are unwavering in our dedication to ensuring and promoting research integrity and publication ethics.
