Mentoring in Alternative Careers in Science & Medicine

Filipodia Publishing participates in mentoring and training of students and trainees in the PhD and MD programs of Vanderbilt University Medical Center through the Broadening Experiences in Scientific Training (BEST) NIH award.

Vanderbilt-affiliated students and trainees interested in externship opportunities with Filipodia Publishing should contact the Office of Biomedical Research & Training (BRET) Office of Career Development or submit an inquiry to us at jobs@filipodia.com.

Details

Restrictions: 1) Affiliations with an IMF-defined developing country for the First author, and Second author (if the paper has 4 or more authors total) and Corresponding author; 2) Signed "Affidavit of Developing Country Affiliation"

Parent Organization

Filipodia Publishing

Filipodia specializes in discovering dynamic interfaces across fields and disciplines and establishing innovative and productive interactions among researchers across fields and across international boundaries. We accomplish our mission of cross-field outreach and collaboration through select hiring of PhD and MD level practicing professionals with extensive experience in science and medicine communication. Most importantly, we are unwavering in our dedication to ensuring and promoting research integrity and publication ethics.
