

First Born of Northern NM

The First Born® Program (FBP) is a unique home visiting program designed to meet the needs of New Mexican families. All services are free and offered to all women pregnant for the first time and first-time families within the program service areas. Services may begin at any time during pregnancy or at the birth of the baby and may continue until the child is five years of age (60 months), or until the family no longer requests program services.

Parent Organization

First Born Program of Northern New Mexico

Mission: To encourage families to build strong relationships. Children are born learning. The foundation of relationships, experiences and skills developed in the first three years support a lifetime of success. The **First Born Program supports child development** in the areas of social emotional development, language, literacy and problem solving skills. Investing early means better outcomes for children, happier families and healthier communities.
