Full Circle Recovery

We are a four month, evidence-based IOP (Intensive Outpatient Program) treatment model for individuals struggling with recovery from drugs and alcohol. **This is an abstinence-based program.** This program does **not** allow medical marijuana or Suboxone. Vivitrol is strongly encouraged in this program to decrease cravings for opioids and alcohol. Vivitrol can be provided through immediate referral.

Services:

- Clinical Assessment for substance use, and substance use with co-occurring disorders (i.e. substance abuse with anxiety, depression, etc.)
- Referral to higher or lower level of care (as appropriate)
- Individual Therapy
- Group Therapy
- Swift referrals for outpatient detoxification
- Prompt referrals for psychiatry for IOP clientele
- Family sessions as part of the group therapy tract
- Random urinalysis screenings
