Galloping Grace Youth Ranch

Junior Leadership Program: Children, ages 12-17, have an opportunity to learn about leadership, sustainable agriculture, and community enrichment while raising livestock, teaching others, having loads of FUN, and making new friends.

Summer Camp: Whether it's farming or ranching, we have a fun, hands-on camp for your 4-11 year-old! Chickens, pigs, goats and cows each have their day to shine during Ranch Life Camp. Gardening, butterflies, fibers and pollination are explored during Farm Life Camp. We bring the classroom to the barnyard with our unique and interactive agricultural experience.

Food Recovery Program: Over 35 million tons of food are thrown into landfills in the U.S. every year. Together, with our community partners, we diverted close to 2 million pounds of food last year.

GGYR Pumpkin Patch: Whether it's the corn pit, duck races, mud pie kitchen, or selecting the perfect pumpkin, if you visit the GGYR Pumpkin Patch, located at the Star Center in Rio Rancho, you're sure to have a good time!

Galloping Grace Youth Ranch

Galloping Grace Youth Ranch (GGYR) offers and promotes programs that educate children about leadership, agriculture and community. We provide children and their families with a unique opportunity to interact with a local, sustainable, working ranch which focuses its efforts on enhancing agricultural education, improving the environment and encouraging charitable giving. Our Mission is Bringing PURE JOY to Children by creating a place where kids lead kids while raising livestock, growing crops, exploring the outdoors, and enriching the community. We cultivate healthy kids today, so they can harvest a healthy society tomorrow.
