Parent Organization

Girl Scouts of New Mexico Trails

Girl Scouts is the premier leadership organization dedicated solely to girls. For over 100 years Girls Scouts has been diligently pursuing its mission to build girls of courage, confidence and character, who make the world a better place. Girl Scouts provides opportunities for girls to develop leadership skills and self-esteem through self-discovery; collaborating with other girls and adults; and taking action to improve their communities. Girls grades K–12 gather a wide range of experiences by participating in diverse activities. In addition to the traditional troop model, girls can participate in single-day or special events, camp, and afterschool programming. Our programs balance fun with experiential hands-on learning to achieve short- and intermediate-term outcomes that give girls the means to cultivate 21st century skills and the knowledge and attitudes necessary to be successful in school, career, and life.
