Parent Organization

Girls on the Run Santa Fe

Girls on the Run Santa Fe is an independent council of Girls on the Run International. Our mission is to inspire girls to be joyful, healthy and confident using a fun, experience-based curriculum which creatively integrates running. We offer an after school program in the Santa Fe public schools that uses an intentional curriculum that integrates physical activity with lessons designed to grow personal and social skills. Our trained coaches teach girls critical life skills and strategies they can apply to all aspects of their lives.

We strive for the girls to develop patterns that they will continue throughout their life including increased levels of physical activity and better relationships with peer groups and families. These skills will help them overcome challenges they may face in the future and will help them maintain connections and self-confidence.
