## Young Leaders of the Americas Initiative (YLAI)

Global Ties ABQ is one of the implementing partners for the YLAI program and we are pleased to have another 10 young leaders with us this year (2017). These young leaders come from Latin America, the Caribbean, and South America to gain exposure with networks and resources that they can utilize to transform their societies and contribute more fully to economic development, prosperity, human rights, security, and good governance in and around their countries. During their time in Albuquerque the 10 young leaders will have specific training and develop tools with local companies that are similar to their home organization.

### Parent Organization

**Global Ties ABQ**

Global Ties ABQ contributes to world peace by creating global connections among the people of New Mexico and emerging leaders from around the world. We do this through international exchange programs, local educational programs, and international community-building activities.
