Grants Milan Rotary Backpack Program

The Backpacks for Kids Program, in its 8th year of existence, provides children living in poverty and attending local elementary schools with a bag of kid-friendly food to take home on Fridays during the school year. Backpack food programs provide nutritious, non-perishable, easy-to-prepare food to children to ensure they get enough food on weekends and holidays to avoid hunger when they can't depend on school meals. Surveys show that more than 75% of the children in the Grants Cibola County schools qualify for free and reduced lunches.
