## Cover Dolls Girls Mentorship program

Mission: To equip, inspire and Lead our future young ladies into women of excellence. This program provides positive reinforcement, character building and social etiquette skills to advance girls in recognizing their full potential.

- This program was adapted as a workshop by Judah -1st Cover Girl Women Conference to provide an extended reach of love and mentorship for the girls who attended the conference with their mother, grandmother, aunt, sister...

- The Cover Dolls program was inspired by the Greater Iam for Humanity organization to promote self esteem and mentorship for disadvantage girls in low income communities. The Cover Dolls workshop was such an added success to the Cover Girl Conference that it was asked to run a year around program in Albuquerque New Mexico in addition to the continued partnership with the touring conference.

- This program will partner with professional women's organization for leadership, sponsorship and mentorship.

- Program Schedule:

Runs year around with Bi-monthly meetings
