## Community and Economic Development

We work with those who are considering Raton as a possible location for a new or expanding business. We also work with individual businesses in our community to provide assistance so that they can grow and prosper. We provide training for entrepreneurs and employees. We also help new businesses form and provide technical support of their development.

### Parent Organization

## **Greater Raton Economic Development Corporation dba GrowRaton!**

Greater Raton Economic Development Corporation dba *GrowRaton!* is a nonprofit, all volunteer community and economic development organization serving as a catalyst for community and economic development in the greater Raton area. Our mission is to collaborate with community stakeholders to improve the quality of life in our community and create economic growth for our area. We provide services such as recruiting new businesses, assisting existing businesses, serving as fiscal sponsor for unincorporated nonprofit groups, and participating in community beautification.
