Growing in Beauty - Family Infant Toddler Program (FIT)

The Navajo Nation Growing In Beauty Program (GIB) collaborates with the New Mexico Department of Health and Early Intervention service providers to serve Navajo families who have infants and toddlers with developmental delays. The New Mexico Department of Health Family Infant Toddler Program (FIT) is the statewide system of supports and services for families of infants and toddlers, birth to three years of age, with disabilities or delays. The Navajo Nation Growing In Beauty program serves as a bridge between Navajo families and the Early Intervention system.
