Great Start Family Support

Open to all in Santa Fe County, our **Great Start Family Support** —in partnership with CHRISTUS St. Vincent Regional Medical Center—provides three visits during the first month of your baby's life.

During these free visits, trained professionals make sure that mom and infant are healthy. Mother learns what she needs to know about breastfeeding and lactation; screening for postpartum depression means her mental health gets attention as well. Parents and caregivers learn to establish healthy attachment with baby and gain access to resources within the community. Programs Registration Form

Disponible para todos en el Condado de Santa Fe, nuestro programa **Apoyo Familiar para un Gran Comienzo**, en colaboración con el Centro Médico Regional CHRISTUS St. Vincent, ofrece tres visitas durante el primer mes de vida de su bebé.

Durante estas visitas gratuitas, profesionales capacitados se aseguran de que la madre y el bebé estén sanos. La madre aprende lo que debe saber sobre el amamantamiento y la lactancia, y la evaluación para depresión posparto significa que también se atiende su salud mental. Los padres y los proveedores de cuidados aprenden a establecer un vínculo saludable con el bebé y obtienen acceso a recursos dentro de la comunidad. Formulario de Registro
