Helping Hands Services

Light door to door transit in the Bloomfield area. We do not have a disability accessible vehicle. 24 hour notice is required, our services are not emergency services. Companionship Service is visiting people who are unable to get out and about. The Buddy Service helps navigate the Red Apple bus system. This is for people who might have a developmental or brain injury and are afraid of being stranded in Farmington. This service is still in the planning stages. TRANSPORTATION: Transportation is provided by volunteers, arrangements must be made in advance. Job training. The staff of Helping Hands Services know what it is to be a person with disabilities and are empathetic of the needs of our job trainees. Three services are provided.
