Heroes Walk Among Us

Heroes Walk Among Us (HWAU) established in March 2008 by founder and CEO, Shane D'Onofrio, a disabled veteran himself. Mr. D'Onofrio observed a significant gap in programs that assist veterans and made it HWAU's mission to help Veterans/Heroes. HWAU's mission statement is to empower American veterans for long-term success upon leaving the military by providing them tools, guidance, and resources to overcome their personal obstacles like; homelessness, job loss, debt management, learning new skills, and health issues to successfully move forward positively.
