Veterans Education Program

The Veteran's Education Program is helping Veteran members, their families, and affiliates earn a college degree. HWAU has partnered with College for America at Southern New Hampshire University. Southern New Hampshire University is a nonprofit fully accredited college built specifically to help working adults succeed. We also can help advocate for Veterans to get into specific programs of their choice. This included helping look for scholarships, grants, and or if they qualify for the GI Bill.

Heroes Walk Among Us

Heroes Walk Among Us (HWAU) established in March 2008 by founder and CEO, Shane D'Onofrio, a disabled veteran himself. Mr. D'Onofrio observed a significant gap in programs that assist veterans and made it HWAU's mission to help Veterans/Heroes. HWAU's mission statement is to empower American veterans for long-term success upon leaving the military by providing them tools, guidance, and resources to overcome their personal obstacles like; homelessness, job loss, debt management, learning new skills, and health issues to successfully move forward positively.
