Wheels 4 Vets

Our Wheels 4 Vets program is a vehicle donation program where the community can donate their junk or broken vehicles to us. We will either scrap them for money to put into the next vehicle or fix them up depending on the vehicle's needs. These repaired vehicles are then given to veterans who have shown they are moving forward in their lives and can manage to own a vehicle. This allows us to help improve veterans' life by having reliable transportation to get to a job, visit their family, and wherever they want to go.

Heroes Walk Among Us

Heroes Walk Among Us (HWAU) established in March 2008 by founder and CEO, Shane D'Onofrio, a disabled veteran himself. Mr. D'Onofrio observed a significant gap in programs that assist veterans and made it HWAU's mission to help Veterans/Heroes. HWAU's mission statement is to empower American veterans for long-term success upon leaving the military by providing them tools, guidance, and resources to overcome their personal obstacles like; homelessness, job loss, debt management, learning new skills, and health issues to successfully move forward positively.
