## Hestia Fund

Provides grant funding to increase the graduation rate in SF by supporting programs and organizations benefitting middle school students, encouraging them to stay focused on school and their futures. Women make a commitment to give a specified amount of money each year for 3 years to support quality programs for middle school youth. Generally, 50% academic, 25% arts and sports, and 25% health ed programs.

## Parent Organization

### Hestia Fund

We are a group of Santa Fe women who are changing the way giving works. We believe if middle school students are supported, positively engaged, thriving and aspiring — they will graduate high school and go forward towards successful lives.
