### **Hope Harbor**

The mission of Hope Harbor is to offer Christ-centered hope, healing, and direction to women with children escaping domestic abuse. It is a 2 year transitional home to raise their income and be able to support their family. A full program of life skills, counseling and case management is provided. All services are free. Applicants must be motivated to attend school and submit to substance abuse tests. The goal is to move women from defeat to thriving and successful.
