## Project Hope at Dismas

Project Hope at Dismas House is a ninety-day transitional living program for motivated men on probation or parole. We provide case management services, therapeutic and life-skills groups, and room and board with 24/7 on-site staff support and supervision. We work to be a safe passage for adults transitioning from prison or jail into society. Our residents learn to trust, communicate effectively, work together, and develop a respect for themselves and others which builds up and empowers our community.
