?

Horsin' Around Therapeutic Riding Center is a Professional Association of Therapeutic Horsemanship International (PATH) certified, 502 (C) 3 non-profit organization that provides therapeutic activities centered around horses. Our goal is to improve and enhance the lives of our students so that each student gains self-confidence, self-esteem, and reaches their highest potential through equine assisted activities.

Our mission is to improve the wellbeing of individuals through equine-assisted therapy. We believe that horses and the therapy they provide make a difference by creating strong and healthy individuals, families and communities.
