## Serving New Mexico Fund for Covid-19 Displaced Workers

The Serving New Mexico Fund is administered by the Hospitality Industry Education Fund (HIEF). HIEF is a non-profit, 501(c)3 charitable organization.

Many hospitality workers in NM have multiple jobs and very little savings so when hardship falls upon them they fall behind. In these trying times we want to do as much as we can for displaced restaurant employees in NM.

This fund will allow NM's dedicated hospitality workers to apply for small grants to help them get by until this emergency is over. Applications are taken online, reviewed, and dispursed as grants up to \$250.
