Simply Salud Family Medical Office

This health office provides fully integrated and holistic health services for individuals who are uninsured, undocumented, opiate addicted or transgender. The office also provides comprehensive apprentice training for pre-health professional bilingual (English/Spanish) students seeking opportunities to provide community service and advance their professional careers.

Parent Organization

Human Body Shop

Our mission is to promote the creation and sustenance of health offices and clinics that serve uninsured and underinsured individuals with respect and dignity. We also seek to provide work-force development opportunities for pre-health professional students and training opportunities in the healing arts for clinicians and interested individuals.
