Humane Society of Lincoln County New Mexico

The Humane Society of Lincoln County, New Mexico (hslcnm.org) was established in 1987. We are dedicated to reducing the unnecessary euthanasia of pets by providing programs and services to end overpopulation and protect and shelter animals from abuse, cruelty, and neglect. We are an "open admission" shelter that will take any animal that comes to our door. Age, illness, injury or aggression is never a factor for acceptance.
