Impact DWI

An emphasis on ending alcohol abuse in New Mexico. We contribute to Prevention, Enforcement and Treatment. Our Victim Impact Panel provide a forum for victims of DWI to tell a group of offenders about the impact of the crime on their lives and on the lives of their families, friends, and neighbors. Our panels involve offenders and victim speakers, telling their stories in a non-judgmental, non-blaming manner. See website for location and dates of these panels.
