Indian Health Services

The Indian Health Service Albuquerque Area is responsible for the provision of health services to 27 distinctly different tribal groups. The Area serves 20 Pueblos, two Apache bands, three bands of the Navajo Nation and two Ute tribes across four Southwest states to include New Mexico, Colorado, Texas and Utah. Additionally, numerous tribal members from throughout the United States who live, work, or go to school in the urban centers of the Albuquerque Area are provided services in health facilities operated by the Indian Health Service.
