Family Infant Toddler Program (FIT)

At Inspirations, our early intervention services are provided to children – from birth to 3 years old - with or at risk for having developmental delays or disabilities. We provide **transdisciplinary services** in the home or community to address children's individual needs. Our services are funded partially through the New Mexico Department of Health Family Infant Toddler Program. We provide our services at no cost to families. Appointments are always available to meet family needs!
