Parent Organization

Japanese American Citizens League New Mexico Chapter

The mission of the New Mexico Japanese American Citizens League is to promote, protect, and fight for the civil and human rights of ALL PEOPLE in and outside of New Mexico. The NMJACL recognizes the importance of education and, following New Mexico's multicultural traditions, promotes the awareness of the Japanese culture in the community. The NMJACL actively works with the community to promote the brother/sisterhood of all cultures in New Mexico.
