The David and Martha Cooper Family Enrichment Center (FEC) is the early childhood center at the Albuquerque JCC. The FEC is committed to creating a positive experience for the young children and families. Our philosophy is that children thrive in the context of secure relationships and by using play to learn about the world. The FEC uses valid scientific studies to inform our practices and relies on widely accepted standards of quality. The JCC program is a 3-star licensed program. The 6,000+ square foot facility holds five classrooms, a full kitchen, and a multi-purpose play room. Outside, there is a padded rubber composite playground with both sand and water play areas and separate playgrounds for infants, toddlers, and pre-schoolers.
