## **Journey Primary and Elementary**

Journey Montessori School currently serves 3 - 12 year old children in mixed aged classrooms grouped into Primary (3-6) and Elementary (6-12). The school offers a challenging and dynamic curriculum based on the philosophy of Dr. Maria Montessori which encourages cooperative learning as well as independent study. In addition to the classroom curriculum, Journey Montessori School offers extensive time outdoors experimenting, exploring and examining the world in which we live. Our outdoor component is heavily influenced by the writings of [Richard Louv](#) and the [Wilderness Awareness School](#). The arts are delicately woven into both the classroom studies and the outdoor exploration, creating an integrated whole.
