Madrid-Cerrillos Public Safety Information Network

This program serves to develop and integrate local public safety advisories and emergency management protocols, using the community radio station KMRD-LP broadcasting at 96.9FM in collaboration with the Madrid Volunteer Fire District (MVFD) and other local resources.

The program:

- Maintains and updates the Emergency Alert System (EAS) assigned to KMRD-LP.
- Broadcasts seasonally-appropriate Public Service Announcements created by the MVFD.
- Integrates relevant information and implements procedures from Santa Fe County Emergency Management.
- Develops emergency back-up communications systems for local networks and outlets.
- Educates the public on how to access information in the event of an emergency.

Parent Organization

KMRD Inc.

KMRD Inc. is a nonprofit community media organization dedicated to informing, educating, and entertaining the public. Our principles are media access and education, community-building, and independent, hyper-local programming.

Our objectives are:

- Producing high-quality independent freeform programming.
- Providing an alternative to mainstream media and serving our listenership by broadcasting diverse and unique programs of local origin.
- Developing broadcasting skills within our community.
- Supporting and participating in community projects beyond the scope of radio broadcasting.
- Connecting members of the local community, providing a public safety resource.
