

# Health Care for the Homeless

We are a federally-funded program providing outpatient primary health care, dental care, case management, referrals, and street outreach services to the homeless community in Santa Fe County. We also work closely with other service agencies that provide services to the homeless. Our medical clinic strives to create a safe, trusting, and respectful environment for all homeless individuals. Walk-ins are welcomed!

Any donated items can be dropped off at the Health Care for the Homeless office located at 1532B Cerrillos Road, or for more information please call (505) 982-4425
