Early Learning Center

Our 4-star licensed Early Learning Center provides integrated developmental services to families of children ages 6 weeks to 5 years. It enables your child to play and learn in a small group setting that promotes curiosity, imagination and exploration. We maintain a low child-to-teacher ratio and offer a child-centered, culturally inclusive, preschool curriculum that is tailored to each child's strengths and needs. We incorporate developmentally appropriate activities that respect the child's strengths and needs as an individual. The program recognizes that all children's learning takes place in the context of relationships and that the attachment between the child and parent supports all other areas of development. Additionally, the program recognizes that the relationship between the parents and the child care staff is a critical factor in the child's daily life. We accept CYFD subsidized funding.
