

LTCC-Before and After School Program/Breaks & Summer Program

Learning Together Childcare Center (LTCC) Program Description

Learning Together Childcare Center (LTCC) provides safe, engaging, and high-quality care for children ages 3–12. Our programs are designed to support academic growth, social-emotional development, and creativity, while giving families peace of mind.

Our **Before and After School Program** offers structured activities, homework support, enrichment opportunities, and time for social interaction in a nurturing environment. During the **Summer Reading Program**, children continue learning through fun literacy-focused activities to keep skills sharp over the summer.

On days when the state program is not in session, LTCC operates **Full-Day Summer Camps from 7:00 AM to 6:00 PM**, featuring hands-on learning, arts and crafts, outdoor play, and exciting field trips. Our goal is to create a stimulating environment where children can explore, grow, and build confidence.

Families can pick up **registration forms in the school office or Classroom 15**, or contact us at **(505) 464-4222** during program hours. Enrollment may be free through the **Universal Childcare Program**, and we currently have openings available. Families can also register online via WonderSchool:

- Learning Together Childcare Center
- Learning Together Childcare Center 2

LTCC is committed to supporting working families while helping children **learn, play, and thrive** in a caring, enriching environment.

Mission Statement

At Learning Together Childcare Center (LTCC), we believe children are the foundation of our future. Our mission is to nurture each child's growth in a safe, welcoming, and supportive environment, helping them thrive physically, emotionally, socially, and academically. We provide high-quality early education that values each child's earliest experiences, building the foundation for lifelong learning and healthy development.

We know that children learn with their whole bodies—through seeing, listening, touching, exploring, and interacting with the world around them. Through play, hands-on activities, and meaningful daily experiences, we encourage curiosity, creativity, and social-emotional growth, helping children form strong, positive relationships with peers, teachers, and their environment.

At LTCC, families are partners in every child's journey. We celebrate diversity, honor all cultures, and maintain an inclusive community free from discrimination. Our programs foster consistent routines, language development, and physical growth while creating opportunities for exploration and discovery.

By building strong partnerships among teachers, families, students, and the community, LTCC empowers children to grow with confidence, joy, and curiosity—preparing them not just for school, but for life.
